(a) by the Executive Engineer, when the cost does not exceed Rs. 5000/-. (b) by the Superintending Engineer when the cost does not exceed. Rs. 7, 500/- and (c) by the Chief Engineer in all other cases.

Draft/ Byelaws framed under rule 8 of the rules issued under the Government Notification No.7846 V.P.63-43-2 dated the I9th January I944 for the conduct of the Business of the Hindustan Air Craft Sanitary Board.

PUBLIC WORKS

I. Public works include sanitary works such as (a) markets, slaughter Houses, huts for sweepers, latrines, incinerators, urinals and cess Pools: (b) Works connected with water supply and improvement to water supply, (c) works relating to drainage including sewage disposal plant, (d) laying out sites for building purposes, (e) acquisition of lands for improvement of sanitation, (f) Construction of Health Camps and Epidemic diseases Hospitals.

N.B. The above explanation is not exhaustive, but merely indicates as examples, certain works which fall under the category of sanitary works.

2. Sanitary works of an original nature costing more than Rs.500/- shall, subject to provision of byelaw No.4, be undertaken by the Board only after the plans and the estimates are approved (a) by the Central Health Committee when the estmated cost exceeds Rs.30000/- (b) by the Sanitary Engineer in all other cases.

3. Every work costing more than Rs.500/- (Rs.Five hundred) shall, subject to byelaw No.4, be commenced only after the scrutiny of the estimate and the plan (a) by the Chief Engineer when the estimated cost ~~exceeds Rs.5000/-~~ amounts to not more than and up to Rs.7500/- (b) by the Executive Engineer in all other cases.

4. No original or repair work shall be commenced without the sanction of (I) Government, when the estimated cost exceeds Rs.5000/- (II) the Board when the estimated cost exceeds Rs.500/- (III) the President in all other cases; provided the President may delegate to his subordinate officers power of sanction when the estimated cost of work does not exceed Rs.50/-.

5. All the works of the Board are to be generally executed through the agency of the Board. The schedule of rates in force with the P.W.D will be adopted in the Board. Deductions at I0% in the case of metal and I5% in the case of gravel will be made for voids. Royalty on metal and gravel due to Government will be deducted in the bills and credited to Government by transfer credit. In all

In all intermediate bills a 10% reserve will be held. All contracts exceeding Rs.50/- in value will be on stamped paper of Re 0-10-0.

6. All works should be generally executed by contract. Works costing more than Rs. 250/- should be disposed by calling for tenders. Tenders may be opened by the President or other officer duly authorised by him. Acceptance of tender when it does not exceed the estimated cost and when the increase is not more than 10% of the estimated cost vests with the President.

7. A register of works will be maintained in Form 73 of the M.A.M. All measurements of work done will be recorded in the measurement book Form No.74 to be kept by the Engineer and all check measurements will be done by the President or officers authorised by him. On the intermediate bill a reserve of not less than 10% will be deducted.
